Amateur Sluts & Real Swingers #80 - Stuck In A Rut

[Call for Pricing](#)

Extreme Missy is a serious penetrator. Her pussy, asshole and peehole expand like the universe. She rides some hard rubber rockets to Uranus. She plays Dr. Gyno with a nasty metal speculum, puts a funnel in her tunnel and expels her pussy and ass donuts. She has more rubber than a tire factory and she stores it all in her pussy and ass.
