Amateur Sluts & Real Swingers #86 - Specs In City

[Call for Pricing](#)

We're not doctors and neither are the performers in this film, however, you will be amazed at the utensil they used to open up these ladies wide before sticking big black dicks inside them! It's Specs In the City and the action is hot! Cala and Kelly are ready for some hot nasty interracial action! We're talking about that raunchy shit and hardcore group action that packed with all the good stuff... ass fucking, dick sucking, creampiees, sperm swallowing, pussy licking, and facial. And you can bet your ass that's what you're going to get right here in Deeni O's Amateur sluts & Real swingers #86!
