Denni O #83 - Day Off To Get Off

[Call for Pricing](#)

Sticky Video presents... Dennio 83! The weather has been nice and it's almost the summer time! Dennio is taking full advantage of it with a Day Off To Get Off! She is going to hookup with one of her well-hung black studs and has a little fun. She preps her pussy with a massager - and a little help from her stud - to get her nice and wet before giving us a close up look personal inside her vagina. Soon after, her well-hung stud has his way with before unleashing a massive load deep inside her. It's gooey fun... with Denni O!
